SUMMARY

Enthusiastic and detail-oriented Computer Science undergraduate with hands-on experience in full-stack development, including Django, Python, and JavaScript. Built and deployed dynamic web applications, such as a role-based blog system and an ERP dashboard. Adept at collaborating in teams, solving problems creatively, and continuously learning. Passionate about technology, with interests in AI and software design.

TECHNICAL SKILLS

Languages: Python, Java, Kotlin, SQL, HTML, CSS, JavaScript

Frameworks: Django

Tools & IDEs: Android Studio, IntelliJ, VS Code, Google Colab

Databases: MySQL, SQLite

Version Control: Git, GitHub

EDUCATION

Shivalik College of Engineering, Dehradun

B.Tech in Computer Science | Expected June 2025 | Current Aggregate: 65%

Assembly of God Church School, Asansol

ISC (Class 12) | April 2021 | 84%

ICSE (Class 10) | March 2019 | 71%

PROFESSIONAL EXPERIENCE

ICE Technology Lab, Patna — Full Stack Intern

Feb 2025 – Apr 2025

- Developed and deployed a Django-based web application, enhancing user interaction by integrating frontend and backend modules.
- Collaborated with a team to improve website load speed by 30% through backend optimization.
- Wrote reusable and modular Python code following MVC architecture.

PROJECTS

♦ Blog Website | Django, Python, SQLite

- Built a role-based blog platform with login panels for Admin, Writer, and User.
- Enabled CRUD operations for writers and blog moderation tools for admins.
- Implemented authentication and access control using Django's built-in features.

♦ ERP Dashboard | HTML, CSS, JavaScript

- Designed and developed the frontend of an academic ERP system.
- Built UI components for student performance tracking and academic data visualization.
- Contributed to frontend layout planning and responsive design implementation.

ACHIEVEMENTS & EXTRACURRICULARS

- Secured 2nd place in Intercollege Football Tournament (2023)
- Finalist in Inter-school Singing Competition
- Enthusiastic Photographer with a portfolio on Instagram ([timel_essclassics](#))
